Subject: Safari Communications, Inc. 2010-274-C

On behalf of my client Safari Communications, Inc. I request that the hearing scheduled for January 20, 2011, be continued and that all pre-filing deadlines be held in abeyance at this time. Safari and the Office of Regulatory Staff are working to resolve certain issues in the docket and the continuance would give the parties the opportunity to resolve these issues. At such time as the issues have been resolved between the parties, Safari and the ORS will request that the hearing be rescheduled and that pre-filing deadlines be established. In any event, Safari will provide the Commission and parties with an update on the status of the matter in 6 months. The ORS has no objections to this request.

Please call me if you have questions.

****Please note new contact information below. Thanks.****
